Profile

PERSONAL SUMMARY

An ambitious problem solver with a passion for online businesses, and who would like to join a team of like-minded developers. Temitope has some experience of creating logical and innovative solutions to complex problems. I'm thorough and precise in everything he does, and has a keen interest in technology and user experience. As someone who takes responsibility for his own personal development, I'm continually evaluating and upgrading my skills so that i stays at the cutting edge of web development. I'm a natural problem solver.

Right now Temitope is looking for a suitable position with a company where outstanding performance is recognized and where he can work on a variety of high profile projects.

Education

Web Development, Boldlinks Technology Solution 08/2020 – 03/2021 | Lagos, Nigeria
